Automatic Landlord Plan Application

Please Print

Landlord Name			
Mailing Address			
Home Phone			
Work Phone			
Service Address			Account # or Meter #*

* If you are unable to provide meter or account numbers, please provide the total number of meters in the building.

A clean payment history is required to remain eligible for the Automatic Landlord Plan. Tenants must also maintain clean payment history or be subject to disconnection for non-payment; in this case, the service will not remain on in your name – it is disconnected. Nova Scotia Power will not be responsible for any loss, damage, or injury as a result of the disconnection of electrical service.

If your rental property is sold, the mailing address changes, or you wish to be removed from the plan, you must provide 14 days advance written notice to Nova Scotia Power.

Please fax or mail completed application form and allow a minimum of ten business days for processing. If you have questions, please call 1-800-428-6230.

I agree to the terms set out in this document and request that Nova Scotia Power commence the "Automatic Landlord Plan" with the above noted account(s).

Landlord Name *(Please Print)* Landlord Signature Date

Office Use Only	
Completed by *(NSPI Customer Service Rep)*	Date
