

Itron OpenWay Riva smart meter

This photo shows a sample of an Itron OpenWay Riva smart meter.

“OpenWay Riva” is noted on all smart meters used by Nova Scotia Power.

Smart meters on residential homes have a blue label as seen in this photo. Most apartment buildings have an OpenWay Riva smart meter with a yellow label.

Itron C1S digital (non-smart) meter

This photo shows an Itron C1S digital (non-smart) meter that Nova Scotia Power uses on residential homes that aren't upgraded to smart meters.
